

ACLAND'S VIDEO ATLAS OF HUMAN ANATOMY®

www.aclandanatomy.com

Video

Clip #	Volume & Section	URL	Time
	Volume 1: The Upper Extremity	https://aclandanatomy.com/Multimedia.aspx?categoryid=39464	
	Shoulder		
1.1.1	Introduction to the shoulder region	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528031	0:30
1.1.2	The clavicle and scapula	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528033	4:11
	Movements of the clavicle and scapula	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528035	
1.1.3		https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528035	0:59
1.1.4	The shoulder joint and its movements	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528039	1:43
	Review of bones, joints, and ligaments of the	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528043	
1.1.5	shoulder	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528043	1:21
1.1.6	Introduction to shoulder muscles	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528037	0:23
	Muscles passing from the scapula to the	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528045	
1.1.7	humerus	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528045	3:48
1.1.8	Muscles passing from the trunk to the scapula	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528049	3:58
	Latissimus dorsi, pectoralis major and deltoid	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528041	
1.1.9	muscles	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528041	2:48
1.1.10	Review of shoulder muscles	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528051	1:15
	Landmark structures for nerves and blood	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528047	
1.1.11	vessels	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528047	2:29
1.1.12	Veins of the shoulder region	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528055	3:09
1.1.13	Arteries of the shoulder region	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528053	2:35

1.1.14	Nerves of the shoulder region: the brachial plexus	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528059	5:32
1.1.15	Review of blood vessels and nerves of the shoulder region	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528057	2:26
<i>The Arm and Forearm</i>			
1.2.1	Introduction to the arm and forearm	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528061	2:21
1.2.2	Bones of the arm and forearm	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528065	3:03
1.2.3	The elbow joint	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528071	3:18
1.2.4	The distal radio-ulnar joint	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528067	1:38
1.2.5	The wrist joint	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528069	3:42
1.2.6	Review of bones, joints, and ligaments of the arm and forearm	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528063	1:53
1.2.7	Muscles that move the elbow	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528073	4:13
1.2.8	Muscles that rotate the forearm	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528075	2:29
1.2.9	Muscles that move the wrist	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528077	4:04
1.2.10	Review and overview of muscles of the arm and shoulder	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528079	2:36
1.2.11	Arteries and veins of the arm	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528081	2:57
1.2.12	Nerves of the arm	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528083	4:01
1.2.13	Review of blood vessels and nerves of the arm and forearm	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528085	1:28
<i>The Hand</i>			
1.3.1	Introduction to the hand	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528091	0:28

1.3.2	Bones and joints of the wrist and hand	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528093	3:24
1.3.3	Bones and joints of the fingers	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528087	3:36
1.3.4	Bones and joints of the thumb	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528095	3:06
1.3.5	Pulley-like structures and ligaments at the wrist	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528097	2:22
1.3.6	Pulley-like structures and ligaments of the fingers and thumb	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528089	3:41
1.3.7	Review of bones, joints, and ligaments of the hand	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528099	1:25
1.3.8	Introduction to muscles of the hand	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528101	0:25
1.3.9	Long (extrinsic) finger flexor muscles	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528103	3:14
1.3.10	Long (extrinsic) finger extensor muscles	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528105	1:52
1.3.11	Long (extrinsic) muscles of the thumb	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528107	2:38
1.3.12	Overview and review of all muscles in the forearm	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528109	2:41
1.3.13	Short (intrinsic) muscles of the fingers	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528113	3:35
1.3.14	Short (intrinsic) muscles of the thumb	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528119	3:32
1.3.15	Review of intrinsic hand muscles	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528115	1:04
1.3.16	Veins of the forearm and hand	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528111	1:01
1.3.17	Arteries of the forearm and hand	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528117	4:11
1.3.18	Radial nerve in the forearm and hand	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528121	1:35

1.3.19	Median and ulnar nerves in the forearm and hand	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528123	4:06
1.3.20	Review of blood vessels and nerves of the forearm and hand	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528129	2:19
1.3.21	Skin of the hand, fingernails	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528125	2:59
Volume 2: The Lower Extremity		https://aclandanatomy.com/Multimedia.aspx?categoryid=39464	
<i>The Hip</i>			
2.1.1	Introduction to the lower extremity	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528127	0:48
2.1.2	The hip bone	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528131	2:57
2.1.3	The femur	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528133	1:29
2.1.4	The hip joint and ligaments around it	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528135	3:02
2.1.5	Review of bones and joints of the hip region	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528143	1:35
2.1.6	Short hip rotator muscles	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528137	3:56
2.1.7	Hip adductor muscles	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528139	3:22
2.1.8	Hip abductor muscles	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528141	3:09
2.1.9	Hip flexor muscles	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528145	3:32
2.1.10	Hip extensor muscles	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528147	4:54
2.1.11	Review of hip muscles	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528149	1:15
2.1.12	Key structures: inguinal ligament, femoral triangle	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528155	1:59
2.1.13	Veins of the hip region	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528151	2:44

2.1.14	Arteries of the hip region	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528153	3:14
2.1.15	Obturator and femoral nerves	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528157	2:05
2.1.16	Gluteal and sciatic nerves	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528159	2:27
2.1.17	Review of blood vessels and nerves of the hip region	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528163	1:08
<i>The Knee</i>			
2.2.1	Bony features of the knee joint	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528161	3:12
2.2.2	Cartilages and cruciate ligaments of the knee joint	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528167	3:48
2.2.3	Collateral ligaments of the knee joint; patellar tendon, quadriceps bursa, joint capsule	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528165	3:49
2.2.4	Review of bones and ligaments of the knee joint	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528169	1:37
2.2.5	Knee extensor muscles, adductor canal	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528181	5:24
2.2.6	Knee flexor muscles	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528183	2:21
2.2.7	Gastrocnemius, plantaris, popliteus muscles	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528185	1:00
2.2.8	Review of knee muscles	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528171	1:37
2.2.9	Arteries and veins of the knee region	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528173	2:23
2.2.10	Nerves of the knee region	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528175	2:25
2.2.11	Review of blood vessels and nerves of the knee region	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528177	0:55

The Leg and Ankle

2.3.1	Introduction to the leg and ankle	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528179	1:19
2.3.2	Bones and ligaments of the ankle joint	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528187	4:14
2.3.3	Bones and ligaments of the hindfoot	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528191	4:55
2.3.4	Pulley-like structures around the ankle joint	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528189	1:04
2.3.5	Review of bones, joints, and ligaments of the ankle region	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528199	1:46
2.3.6	Ankle extensor and flexor muscles	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528201	5:02
2.3.7	Fascial compartments of the leg	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528193	3:04
2.3.8	Foot evertor and invertor muscles	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528195	4:08
2.3.9	Review of muscles that move the ankle and foot	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528197	1:19
2.3.10	Arteries and veins of the leg and ankle	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528205	5:01
2.3.11	Nerves of the leg and ankle	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528211	2:31
2.3.12	Review of blood vessels and nerves of the leg and ankle	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528207	1:12
<i>The Foot</i>			
2.4.1	Bones of the midfoot, forefoot, and toes	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528209	2:49
2.4.2	Main ligaments supporting the arches of the foot	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528203	2:28
2.4.3	Plantar aponeurosis and metatarsophalangeal joints	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528213	4:14
2.4.4	Review of bones, joints, and ligaments of the foot	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528215	1:00

2.4.5	Long and short toe extensor muscles	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528217	3:24
2.4.6	Long toe flexor muscles	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528219	2:38
2.4.7	Short toe flexor muscle groups	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528223	3:14
2.4.8	Short flexor muscles of the great and fifth toes	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528227	3:00
2.4.9	Overview of short plantar muscles	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528225	1:57
2.4.10	Review of muscles of the foot	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528221	1:15
2.4.11	Arteries and veins of the foot	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528229	3:02
2.4.12	Nerves of the foot	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528235	4:01
2.4.13	Review of blood vessels and nerves of the foot	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528231	0:53
2.4.14	Skin of the foot	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528233	0:05
Volume 3: The Trunk		https://aclanganatomy.com/Multimedia.aspx?categoryid=39467	
<i>The Spine</i>			
3.1.1	The vertebral column, features of a typical vertebra	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528237	4:45
3.1.2	Cervical and thoracic vertebrae	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528239	5:01
3.1.3	Lumbar vertebrae, sacrum	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528241	3:35
3.1.4	Ligaments of the vertebral column, intervertebral disks	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528243	4:41
3.1.5	Intervetebral joints	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528245	0:47
3.1.6	Review of bones, joints, and ligaments of the vertebral column	https://aclanganatomy.com/MultimediaPlayer.aspx?multimediald=10528247	1:45

3.1.7	Paravertebral muscles	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528249	4:54
3.1.8	Spinal cord (cross section), spinal meninges, dural sac	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528251	3:11
3.1.9	Spinal cord (from behind), nerve roots	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528253	4:22
3.1.10	Review of paravertebral muscles and spinal cord	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528255	1:02
<i>The Musculoskeletal Structures of the Thorax</i>			
3.2.1	The bones of the thorax	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528257	4:53
3.2.2	Costovertebral joints	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528259	1:08
3.2.3	First rib and clavicle	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528261	2:53
3.2.4	Review of bones of the thorax	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528263	1:15
3.2.5	Pleural cavity, pleura	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528271	5:23
3.2.6	The diaphragm	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528273	4:15
3.2.7	Muscles of inspiration	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528267	2:31
3.2.8	Muscles of expiration	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528269	3:47
3.2.9	Review of pleural cavity and muscles of respiration	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528265	1:28
3.2.10	Ascending aorta, aortic arch and its branches	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528283	3:47
3.2.11	Internal thoracic artery, descending aorta	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528275	2:26
3.2.12	Superior vena cava, brachiocephalic veins	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528277	3:27

3.2.13	Inferior vena cava, azygos veins	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528285	1:53
3.2.14	Nerves of the thorax	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528287	4:39
3.2.15	Review of arteries, veins, and nerves of the thorax	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528279	1:55
3.2.16	The breast	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528281	1:28
<i>The Musculoskeletal Structures Around the Abdomen</i>			
3.3.1	Bones that support the abdomen	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528289	1:39
3.3.2	Upper parts of the bony pelvis	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528291	1:01
3.3.3	Review of bones of the abdomen	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528299	1:01
3.3.4	The inguinal ligament	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528295	0:55
3.3.5	Posterior abdominal muscles 1: erector spinae, quadratus	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528297	2:03
3.3.6	Posterior abdominal muscles 2: psoas major, iliacus	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528293	3:23
3.3.7	Anterior abdominal muscles 1: rectus abdominis	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528301	3:52
3.3.8	Anterior abdominal muscles 2: transversus, internal oblique	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528307	3:03
3.3.9	Anterior abdominal muscles 3: external oblique	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528303	2:05
3.3.10	Lining of the abdominal cavity	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528309	0:46
3.3.11	The inguinal canal	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528305	3:55
3.3.12	The spermatic cord	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528311	2:12

3.3.13	Review of abdominal muscles and inguinal region	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528317	1:02
3.3.14	Arteries of the abdominal region	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528319	3:58
3.3.15	Veins of the abdominal region	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528321	1:49
3.3.16	Blood vessels of the anterior abdominal wall	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528313	1:13
3.3.17	Nerves of the abdominal region	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528315	3:48
3.3.18	Review of blood vessels and nerves of the abdominal region	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528323	1:28
<i>The Musculoskeletal Structures of the Pelvis</i>			
3.4.1	Lower parts of the bony pelvis	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528325	4:11
3.4.2	Major ligaments of the bony pelvis	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528331	2:35
3.4.3	Review of bones and ligaments of the pelvis	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528327	1:09
3.4.4	Muscles of the pelvic wall	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528329	2:09
3.4.5	Muscles of the pelvic diaphragm from above and from the side	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528333	4:41
3.4.6	Muscles of the pelvic diaphragm from below	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528335	3:46
3.4.7	Review of pelvic muscles	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528337	0:39
3.4.8	Arteries and veins of the pelvis	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528339	3:24
3.4.9	Nerves of the pelvis	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528343	4:03
3.4.10	Review of blood vessels and nerves of the pelvis	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528345	1:14
Volume 4: The Head and Neck		https://aclandanatomy.com/Multimedia.aspx?categoryid=39464	

Support and Movement of the Head

4.1.1	Introduction to Volume 4 [Head and Neck]	https://aucklandanatomy.com/MultimediaPlayer.aspx?multimediald=10528347	1:00
4.1.2	Occipital bone	https://aucklandanatomy.com/MultimediaPlayer.aspx?multimediald=10528349	4:24
4.1.3	Temporal bone	https://aucklandanatomy.com/MultimediaPlayer.aspx?multimediald=10528341	2:34

4.1.14	Review of muscles of the neck	https://aucklandanatomy.com/MultimediaPlayer.aspx?multimediald=10528373	0:55

The Facial Skeleton and Base of Skull

4.2.1	Introduction to the facial skeleton and base of skull	https://aucklandanatomy.com/MultimediaPlayer.aspx?multimediald=10528375	0:04
4.2.2	External features of the facial skeleton and base of skull	https://aucklandanatomy.com/MultimediaPlayer.aspx?multimediald=10528371	2:44

4.2.3	Internal features of the facial skeleton and base of skull	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528377	3:23
4.2.4	Frontal and zygomatic bones	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528379	3:11
4.2.5	Sphenoid bones, remaining facial bones	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528383	4:53
4.2.6	Openings in the base of the cranium	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528381	3:57
4.2.7	Review of bones of the facial skeleton and base of skull	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528385	3:57
<i>The Nasal Cavity and its Surroundings</i>			
4.3.1	Introduction to the passages for air and food	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528389	1:44
4.3.2	Bones of the nasal cavity	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528387	3:57
4.3.3	Paranasal sinus cavities	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528391	2:53
4.3.4	The ethmoid bone	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528393	1:38
4.3.5	Bony openings in the nasal cavity	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528395	1:38
4.3.6	Bony structures around the nasopharynx	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528397	1:31
4.3.7	Review of bones of the nasal cavity and nasopharynx	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528399	1:22
4.3.8	Lining of the nasal cavity	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528401	4:41
4.3.9	Lining of the paranasal sinuses	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528407	2:11
4.3.10	Lining of the nasopharynx	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528409	1:36
4.3.11	Muscles of the nasopharynx	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528411	2:42

Review of lining of the nasal cavity and	https://aucklandanatomy.com/MultimediaPlayer.aspx?multimediald=10528403	
4.3.12 paranasal sinuses		1:07
<i>The Oral Cavity and its Surroundings</i>		
4.4.1 Introduction to the oral cavity and pharynx	https://aucklandanatomy.com/MultimediaPlayer.aspx?multimediald=10528405	0:03
4.4.2 The mandible	https://aucklandanatomy.com/MultimediaPlayer.aspx?multimediald=10528413	3:55
4.4.3 The temporomandibular joint	https://aucklandanatomy.com/MultimediaPlayer.aspx?multimediald=10528415	2:55
4.4.4 Muscles of mastication: pterygoid muscles	https://aucklandanatomy.com/MultimediaPlayer.aspx?multimediald=10528417	2:42
4.4.5 Muscles of mastication: temporalis and masseter	https://aucklandanatomy.com/MultimediaPlayer.aspx?multimediald=10528419	3:35
4.4.6 The hyoid bone	https://aucklandanatomy.com/MultimediaPlayer.aspx?multimediald=10528421	1:55
4.4.7 Muscles acting on the hyoid bone	https://aucklandanatomy.com/MultimediaPlayer.aspx?multimediald=10528423	4:26
4.4.8 The tongue	https://aucklandanatomy.com/MultimediaPlayer.aspx?multimediald=10528425	2:38
4.4.9 Muscles of the tongue	https://aucklandanatomy.com/MultimediaPlayer.aspx?multimediald=10528427	2:56
4.4.10 Review of bones and muscles of the oral cavity	https://aucklandanatomy.com/MultimediaPlayer.aspx?multimediald=10528429	1:44
4.4.11 Lining of the oral cavity	https://aucklandanatomy.com/MultimediaPlayer.aspx?multimediald=10528431	2:56
4.4.12 Muscles of the cheek and lips	https://aucklandanatomy.com/MultimediaPlayer.aspx?multimediald=10528439	1:07
4.4.13 Teeth	https://aucklandanatomy.com/MultimediaPlayer.aspx?multimediald=10528437	2:02
4.4.14 Parotid gland and its surroundings	https://aucklandanatomy.com/MultimediaPlayer.aspx?multimediald=10528433	3:35
4.4.15 Submandibular and sublingual glands	https://aucklandanatomy.com/MultimediaPlayer.aspx?multimediald=10528435	3:04

4.4.16	Thyroid and cricoid cartilages	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528441	3:39
4.4.17	The pharynx	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528443	4:32
4.4.18	Posterior pharyngeal muscles	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528449	3:14
4.4.19	Review of oral cavity: lining, muscles of cheek and lips, teeth, salivary glands, pharynx	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528445	1:43
<i>The Larynx and its Surroundings</i>			
4.5.1	Introduction to the larynx	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528447	0:42
4.5.2	The larynx and its surroundings, laryngeal opening	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528451	3:32
4.5.3	Laryngeal cartilages	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528453	3:18
4.5.4	Vocal ligaments, vocal opening	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528455	2:29
4.5.5	Cricothyroid muscle	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528457	1:01
4.5.6	Intrinsic laryngeal muscles	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528459	3:04
4.5.7	Infrahyoid muscles, thyroid gland	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528461	2:47
4.5.8	Review of larynx	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528473	1:24
<i>The Facial Muscles and the Scalp</i>			
4.6.1	Upper facial muscles	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528463	3:34
4.6.2	Lower facial muscles	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528465	1:34
4.6.3	The scalp	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528467	3:15

4.6.4	Review of facial muscles and scalp	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528469	1:12
<i>The Brain and its Surroundings</i>			
4.7.1	Brain: initial overview	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528471	0:46
4.7.2	Lining of cranial cavity, falx, tentorium	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528475	3:02
4.7.3	The meningeal layers: dura, arachnoid, pia	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528477	3:46
4.7.4	Lining of middle cranial fossa	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528481	0:55
4.7.5	Review of cranial cavity and meninges	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528485	0:55
4.7.6	Medulla, fourth ventricle	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528479	4:48
4.7.7	Midbrain, cerebral peduncles	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528487	2:33
4.7.8	Cerebellum	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528483	1:41
4.7.9	Cerebrum	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528489	4:00
4.7.10	Lateral and third ventricles, underside of the cerebrum	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528491	4:02
4.7.11	Review of brainstem, cerebellum, cerebrum	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528493	2:29
<i>The Nerves of the Head and Neck</i>			
4.8.1	Olfactory and optic nerves (cranial nerves I, II)	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528499	4:04
4.8.2	Oculomotor, abducent, and trochlear nerves (III, VI, VII) in the cranium	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528495	1:45
4.8.3	Oculomotor, abducent, and trochlear nerves (III, VI, VII) in the orbit	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528497	2:46
4.8.4	Trigeminal nerve (cranial nerve V) in the cranium	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528501	1:36

4.8.5	Ophthalmic nerve (cranial nerve V1)	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528507	1:27
4.8.6	Orientation to maxillary and mandibular nerves (cranial nerves V2, V3)	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528503	2:25
4.8.7	Maxillary nerve (cranial nerve V2)	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528505	4:03
4.8.8	Mandibular nerve (cranial nerve V3)	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528511	4:27
4.8.9	Review of first six cranial nerves	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528509	1:04
4.8.10	Facial and vestibulo-cochlear nerves (cranial nerves VII, VIII)	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528513	4:56
4.8.11	The last four cranial nerves (cranial nerves IX, X, XI, XII) in the cranium	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528515	2:05
4.8.12	Glossopharyngeal and vagus nerves (cranial nerves IX, X)	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528517	5:08
4.8.13	Accessory and hypoglossal nerves (cranial nerves XI, XII)	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528519	3:04
4.8.14	Sympathetic trunk, cervical plexus	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528531	2:27
4.8.15	Review of last six cranial nerves	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528525	1:28
<i>The Blood Vessels of the Head and Neck</i>			
4.9.1	Subclavian and common carotid arteries	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528533	3:16
4.9.2	Internal carotid artery	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528521	2:47
4.9.3	Vertebral artery	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528523	1:28
4.9.4	The arterial circle	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528527	3:16
4.9.5	Cerebral arteries	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528535	4:15

4.9.6	Venous sinuses: sagittal, transverse, sigmoid	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528537	4:12
4.9.7	Cavernous and petrosal sinuses	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528529	3:32
4.9.8	Branches of thyro-cervical trunk; external carotid artery and its branches	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528539	3:29
4.9.9	Superficial temporal and maxillary arteries	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528541	2:53
4.9.10	Veins of the neck and face	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528543	3:35
4.9.11	Review of blood vessels of the head and neck	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528547	2:02
<i>The Eye and its Surroundings</i>			
4.10.1	Bony features of the orbital cavity	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528549	3:32
4.10.2	The eye	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528545	2:00
4.10.3	Extra-ocular muscles: recti	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528551	3:12
4.10.4	Extra-ocular muscles: oblique, levator	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528553	4:09
4.10.5	Eyelids	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528557	4:00
4.10.6	Lacrimal apparatus	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528559	1:03
4.10.7	Review of eye and its surroundings	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528555	1:36
<i>The Ear</i>			
4.11.1	External ear	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528563	3:46
4.11.2	Tympanic membrane	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528561	2:11
4.11.3	Tympanic cavity (lower part), auditory tube	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528565	4:32

4.11.4	Tympanic cavity (upper part)	https://aclandanatomy.com/MultimediaPlayer.aspx?multimediald=10528567	2:05
